What are the benefits we can derive from this? ☐☐	
3. ☐ How can I make ASEAN Harmonised Cosmetic	
Regulatory Scheme work for me? ☐☐☐	6 ☐☐☐
Who can I contact if I have questions? ☐	
Where can I get help?	

4. Where can I get more information about the ASEAN Harmonised Cosmetic Regulatory Scheme?	7
Schedule A - Mutual Recognition of Product Registration Approval	
5. When do I need to comply with the ASEAN Cosmetic Product Registration Requirements? What will happen with the local registration requirements/timing?	7
6. If my country implements Schedule A, what do I need to comply with? What do I need to do to ensure that I can comply with the requirements?	7
7. Does change of any packaging materials of an existing product in the market require new product registration?	8
8. Does change of brand name of an existing product in the market require new product registration?	8
9. How does the ASEAN Cosmetic Product Registration Requirement impact the current Product Notification or registration system existing in some countries?	9
Schedule B - ASEAN Cosmetic Directive	
10. What is Schedule B - the ASEAN Cosmetic Directive?	9
11. What are the benefits we can derive from the implementation of the Directive?	10
12. How will the Directive affect my company? How do I prepare for the implementation of the Directive?	10
13. What are my responsibilities under the ASEAN Cosmetic Directive after it has been implemented?	10

14. What is Post Marketing Surveillance (PMS)?	11
15. When the Directive is implemented, will the industry still need to label registration numbers on the product?	12
16. What if I change formulation or packaging or claims of an existing product in the market? What do I need to do under the Directive?	12
17. What is the role of the cosmetic regulatory authority under the Directive?	12
B. Illustrative List	
18. What is the Illustrative List? Is this a restricted list?	13
19. Is the Illustrative List my basis for determining whether is my product cosmetic or not?	13
C. Cosmetic Ingredient Lists	
20. What are the ASEAN Cosmetic Ingredient Listings? How do I use them? What is a restricted List? What is a Negative List? What is a Positive List?	13
21. What is the ASEAN Handbook of Cosmetic Ingredients?	14
22. What do I need to follow if my country has existing local Cosmetic ingredient listings?	15
23. What if my ingredient is not found in any of the ASEAN Ingredient Listings?	15
24. What if my ingredient exceeds the allowable maximum level in the ASEAN Ingredient Listings and I have extensive safety data to support my ingredient level?	15

25. What is the ASEAN Cosmetic Scientific Body (ACSB)? How does it work?	16
26. Who do I contact if I have queries/concerns on Ingredient Listings?	16
D. Good Manufacturing Practice (GMP)	
27. What is the ASEAN Cosmetic GMP?	16
28. What will happen if I am a small company and I can't comply with GMP?	16
29. How can I comply with the ASEAN Cosmetic GMP? What Should I do?	17
E. Labeling	
30. What are the ASEAN Cosmetic Labeling Requirements? What do I need to comply with the requirements and when?	17
31. Does ASEAN Cosmetic Labeling Requirements require ingredients to be reflected on the packaging?	18
32. Is the Expiry Date a mandatory labeling requirement under the ASEAN Cosmetic Labeling Requirements?	18
33. Is there a standard format to be followed for the labeling of the Expiry Date or the Manufacturing Date?	18
34. Do we need to reflect the Manufacturer's name and address on the label?	19
35. I have existing inventory of old labels/packaging? What will I do with this inventory?	19

F. Claims	
36. How do I determine if my claim is acceptable as cosmetic?	19
37. Is there a harmonised list of allowed/not allowed claims in ASEAN?	20
G. Frequently Asked Questions in Cosmetic Product Notification	
38. What should I do if I intend to import or manufacture a cosmetic product for local sale?	20
39. After filing a product notification and receiving an acknowledgement (e.g. notification number) from the regulatory authority, does it mean that the product has been approved for sale by the authority?	20
40. If my product has been notified to an ASEAN Member Country, is it exempted from notification to another ASEAN country in which I intend to market the product?	21
41. If the cosmetic product is meant solely for export or re-export, must notification be filed with the regulatory authority?	21
42. Are samples including Hotel's sample, and professionally used cosmetic exempted from notification and the requirements of ACD?	22
43. Does each individual shade of a range of a cosmetic product or a palette of colours require a separate product notification?	22
44. Can a company that is not registered to operate business in the ASEAN Member Country where the product will be marketed, file the product notification?	22

45. What are the supporting documents to be submitted with a product notification? 23

46. If there are any changes in the information submitted in a product notification, do I have to file a new product notification? 23
