

THE STRATEGIC PLAN ON THE DEVELOPMENT AND IMPLEMENTATION OF ASEAN SHRIMP GAP

Strategic Approach 1: Development of Standard on ASEAN Good Aquaculture Practices for Shrimp Farming or ASEAN Shrimp GAP

Goal

- A mechanism is established within the ASEAN organization to manage the development of ASEAN Shrimp GAP.
- Each member state commits to the development of ASEAN SHRIMP GAP and provides support to the ASEAN organization to sustain its development.

	Priority Action	Activities	Schedule/Place	Responsible Agency/Body/ Country	Remarks
1.	1.1 Development of ASEAN Shrimp GAP	1.1.1 Establishment of the Regional Expert Group by 1 st Meeting of ASEAN Shrimp Alliance (ASA)	1 July 2009/ Thailand	ASEAN Shrimp Alliance (ASA)	Completed
1.1.2 Initial drafting of the ASEAN Shrimp GAP by the 1 st expert group meeting (1 st draf)		29-30 September 2009, Thailand	Regional Expert Group on ASEAN Shrimp Alliance	Completed	
1.1.3 Revision of the ASEAN Shrimp GAP (2 nd draft) and drafting of the strategic plan on the Development and implementation of ASEAN Shrimp GAP		30-31 March 2010, Thailand	Regional Expert Group on ASEAN Shrimp Alliance	Completed	
1.1.4 Comments and revision the 2 nd draft of ASEAN Shrimp GAP and the strategic plan on the development and implementation of ASEAN		April 2010	ASEAN Member States (AMSs)	Completed	

	Priority Action	Activities	Schedule/Place	Responsible Agency/Body/ Country	Remarks
		1.1.5 Revision and adoption of the revised 2 nd draft of ASEAN Shrimp GAP and the Strategic plan on development and implementation of ASEAN Shrimp GAP by the 2 nd Meeting of ASEAN Shrimp Alliance (3 rd draft)	17-18 May 2010, Thailand	ASEAN Shrimp Alliance	Completed
		1.1.6 Submission of the 3 rd draft of ASEAN Shrimp GAP to the 18th Meeting of ASEAN Sectoral Working Group on Fisheries for endorsement	23-25 June 2010, Brunei	In capacity of chairman of ASA (Thailand)	Endorsed in principle by 18 th Meeting of ASWGFi
		1.1.7 Announcement of ASEAN Shrimp GAP which being endorsed in principle to the 5 th Meeting of FAO COFI Sub-committee on Aquaculture and 29 th COFI Meeting	September 2010 and February 2011, respectively	In capacity of chairman of ASA (Thailand)	Completed
		1.1.8 Revision of ASEAN Shrimp GAP by the 3 rd expert group meeting (4 th draft)	7-8 March 2011, Thailand	Regional Expert Group on ASEAN Shrimp Alliance	Completed
		1.1.9 Finalization and adoption of ASEAN Shrimp GAP and Revision of the Strategic plan	9 March 2011, Thailand	ASEAN Shrimp Alliance	Completed

	Priority Action	Activities	Schedule/Place	Responsible Agency/Body/ Country	Remarks
		<p>on development and implementation of ASEAN Shrimp GAP by the 3rd Meeting of ASEAN Shrimp Alliance (final draft)</p> <p>1.1.10 Submission of the final draft of ASEAN Shrimp GAP to 19th Meeting of ASWGF_i for final endorsement</p> <p>1.1.11 Submission of the ASEAN Shrimp GAP to Special SOM-32nd AMAF Meeting</p> <p>1.1.12 Submission of the ASEAN Shrimp GAP to 33rd AMAF</p>	<p>27-29 April 2011, Cambodia</p> <p>July 2011, Cambodia</p> <p>October 2011, Indonesia</p>	<p>In capacity of chairman of ASA (Thailand)</p> <p>In capacity of chairman of ASA (Thailand)</p> <p>In capacity of chairman of ASA (Thailand)</p>	

Strategic Approach 2: Development of National Shrimp GAP Programs
(for some ASEAN Member States that shrimp production standard does not exist)

Goal: All member countries have established a national shrimp GAP program by 2012

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
2.	2.1 Establishment of national shrimp GAP for some AMSs by 2012.	2.1.1 Submission of proposal to develop the national shrimp GAP program is endorsed by the appropriate decision-making body in each country.	2011	ASEAN Member States (AMSs)	
		2.1.2 Establishment of management committee on the establishment of national shrimp GAP	2011	AMSs	
		2.1.3 National Workshop -1: to discuss on national shrimp GAP, assign responsible tasks among national agencies, consider constraint, budget line, assistance from external funding, and identify timelines.	2011 - 2012	AMSs	
		2.1.4 Drafting national shrimp GAP	2011 - 2012	AMSs	
		2.1.5 National Workshop -2: to discuss the draft national shrimp GAP for the refinement.	2011- 2012	AMSs	
		2.1.6 National Workshop – 3: to finalise the national shrimp GAP, involving all stakeholders.	2012	AMSs	

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
	2.2 Implementation and application of national shrimp GAP programme	2.1.7 Endorsement of national shrimp GAP by the appropriate decision-making body in each country.	End of 2012	AMSs	
		2.1.8 Launching of national shrimp GAP	2013	AMSs	
		2.2.1 Development of national programme on the management and implementation of shrimp GAP, including administration and financial process, certification process, and communication plan.	2011 – 2013	Management Committee in individual ASEAN Member State.	
		2.2.2 Establishment of Implementation Team to carry out a national shrimp GAP programme.	2011 – 2013	Individual ASEAN Member State.	
		2.2.3 Conduct public awareness activities on national Shrimp GAP for all stakeholders.	2012 – 2013	Implementation Team in individual ASEAN Member State.	
		2.2.4 Establishment of infrastructure and certification process in the country.	2011 – 2013	Implementation Team in individual ASEAN Member State.	
		2.2.5 Organize shrimp GAP training for trainers, extension officers, farmers and auditors.	2012 – 2013	Implementation Team in individual ASEAN Member State.	

Strategic Approach 3: Alignment of national shrimp GAP programs with ASEAN Shrimp GAP

Goal: By 2012, the implementation teams in all member states have closely aligned their national Shrimp GAP program with the relevant areas of ASEAN Shrimp GAP.

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
3	3.1 Alignment of national shrimp GAP with ASEAN Shrimp GAP	3.1.1 Review and modify the national shrimp GAP program to align with the relevant modules of ASEAN Shrimp GAP	2011 - 2012	Implementation Teams in all member states.	
	3.2 Regional review and sharing experiences in aligning national Shrimp GAP with ASEAN Shrimp GAP	3.2.1 Conduct a regional review of status of aligning national Shrimp GAP with ASEAN Shrimp GAP for sharing experiences and identifying issues and constraints to strengthening the alignment	2012	Expert Group on ASEAN Shrimp Alliance	

Strategic Approach 4: Establishment and/or Strengthening National Certification System for National Shrimp GAP

Goals: ASEAN Shrimp GAP is recognized by international authorities, traders and trading partners including stakeholders within and outside of the ASEAN region.

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
4.	4.1 Strengthening national certification system (for some AMSs that certification system already exist)	4.1.1 Assessment of the existing national certification system 4.1.2 Development/strengthening national certification system by applying FAO Technical Guidelines on Aquaculture Certification	2011-2015 2011-2015	AMSs AMSs	

Strategic Approach 5: Enhancement of awareness and knowledge of ASEAN Shrimp GAP

Goals:

- Awareness of ASEAN Shrimp GAP by stakeholders within and outside of the ASEAN region is increased.
- Knowledge of ASEAN Shrimp GAP is increased for key personal involved in developing and implementing national Shrimp GAP programs in member states.

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
5.	5.1 Promotion and training to increase awareness and knowledge of ASEAN Shrimp GAP by stakeholders within and outside of the ASEAN region.	<p>5.1.1 Produce promotional materials on ASEAN Shrimp GAP</p> <p>5.1.2 Organise regional training on ASEAN Shrimp GAP for AMSs and relevant ASEAN private sectors supported by ASEAN dialogue partners such as AADCP, EU, etc</p> <p>5.1.3 Organise seminars/exhibition on ASEAN Shrimp GAP back to back with ASEAN Shrimp Alliance Annual Meeting or other events</p> <p>5.1.4 Improve and regularly update information on ASEAN Shrimp GAP in ASA website</p>	<p>2011 onward</p> <p>2012</p> <p>2012-2013</p> <p>2012-2013</p>	<p>AMSs/ relevant national shrimp associations/ASEAN Seafood Federation</p> <p>ASEAN Member States/ ASEAN Secretariat.</p> <p>AMSs/ relevant national shrimp associations/ASEAN Seafood Federation</p> <p>ASA Focal points</p>	

	Priority Action	Activities	Schedule	Responsible Agency/Body/ Country	Remarks
	5.2 Key organisations from the private sector are encouraged to promote ASEAN Shrimp GAP	5.2.1 Where possible, ASEAN Business Agencies can assist on dissemination of the ASEAN Shrimp GAP 5.2.2 Where funding is available, Private Sector Forum can be engaged at the regional and national level to review ASEAN Shrimp GAP standard and encourage the promotion	2011 – 2012 2012 onward	ASEAN Business Agencies ASEAN Secretariat/ National management Committee
