## **‘Train-the-Trainer’ Training Fundamentals**

### **Individual Presentation (30%)**

- **any subject of your choice\***
- **should be a subject you are passionate about or are knowledgeable in : e.g.**
  - *hobby (doing, done or want to do...)*
  - *interests*
  - *skills, etc.*
- **present according to your completed Lesson Plan in 15 – 20\* minutes (\*max) employing your own experiences, adding, adapting and expanding as you wish...**

## **‘Train-the-Trainer’ Training Fundamentals**

### **Individual Presentation (30%)**

- **should be interesting, and simulated as an actual short lesson**
- **should employ all the pedagogical & andragogical knowledge & skills which we have covered so far...**
- **as you will be the trainer/facilitator for the presentation, you can employ any types of instructional methods and presentation styles to bring out the best for your learners to achieve your learning objectives...**
